## Judgment Day Perspectives

*By Eli James. E-Newsletter Volume II, #6, July 19, 2005.*

### The Thirty-Nine Lashes Against the Hoaxacaust

The following are 39 good reasons why you should not believe in the biggest myth of the Twentieth Century:

1.) Consider the source. All of the “evidence” presented at the Nuremberg trials came from two sources: Communists and Zionists. Neither of these groups could be considered impartial. All communists are liars; and all Zionists are tyrants who believe that critics of Zionism should have no public say. Many of these people, such as Leon Trotsky and David Ben-Gurion, were both communists and Zionists! Since the myth-makers cannot prove their contentions in an open, public, discussion, the only choice they have is to quash dissent by making “questioning the holocaust” a crime in every country in the world, except the USA, where freedom of speech is hanging by a thread.

2.) Zyklon B delousing gas was just that. In the days of World War II, typhus was a scourge which was transmitted by fleas and lice. Zyklon B was the treatment given to all prison internees, no matter what their religious background, because typhus had to be controlled. The claim that it was used to poison people is absurd because it was highly flammable. To use it for the purposes described by the hoaxers would have put all of the camp facilities at risk of fire and explosion. Signed confessions, extracted by Jewish and communist interrogators, say that the dead bodies, after death by gassing, were extracted by workers who were “drinking and smoking.” Rudolph Hoess signed such a document, which was written for him. Hmm. Would you turn the gas on in your oven without lighting it, wait a while, and then walk into the room with a lit cigarette in your mouth? Obviously, the hoaxers had little technical knowledge when they made their ridiculous claims. In addition, the manufacturer of Zyklon B gas stated that, due to the adhesive qualities of the gas, it would require a 24-hour ventilation period before anyone could safely enter a room which had been used for such a purpose.

In addition, shaving heads was necessary in order to remove the breeding grounds

of the lice.

3.) Killing six million people and disposing of their bodies is no small order for an army trying to conduct a war. Can you imagine the waste of fuel and other resources that would otherwise go to the war effort? Of the thousands of reconnaissance photos available from World War II, why are there no pictures of the fuel tanker convoys which would be needed to deliver the fuel for the crematoria? Why are there no pictures of the smokestacks, which were supposedly belching smoke day and night? The reality is that the Germans could hardly afford to waste fuel for such a purpose. Everyone agrees that the Germans kept tremendous records for efficiency and documentation purposes. Where are the records of these fuel shipments?

Think, think, think, you gullible Christian! The Zionists are laughing at you!

4.) Auschwitz, one of the largest concentration camps, had only about twenty ovens in its crematory. The crematoria at the various concentration camps were very crude and required lots of fuel and many hours to consume one body. One researcher has calculated that, given the exact number of ovens available and hours per body, the ovens would have to be going day and night from the War's beginning until 1975 before that many bodies could be cremated. Are you beginning to comprehend the absurdity of such a claim? Yet, it is repeated by the Zionist-dominated bias machine on an almost daily basis, and it is force-fed to our school children at taxpayer expense and Zionist urging.

5.) If the bodies were not cremated as many hoaxers suggest, then where are the skeletons of all these bodies? Surely a few dozen would have turned up by now. Or did the Germans find some super-secret body disposal system that no one yet knows of?

6.) Would the Germans go out of their way to provide fuel for the crematoria when their airplanes and tanks were desperately in need of fuel? Not once have I heard anyone accuse the Germans of being stupid. Toward the end of the war, the Germans lost battles because lack of fuel. Would they be so stupid as to redirect fuel to the camps for "the ovens" when battles are at stake?

7.) Jews were singled out for special interrogation because so many of them were communists. The camp directors had to determine whether these Jews were harmless or dangerous - whether they would make reliable workers or just be troublemakers. Those who were determined to be useful workers were allowed many privileges, including the formation of orchestras. If the Jews were automatically gassed (killed), how would any of these privileges be considered, let alone established? The mere fact that there are so many Jewish survivors of concentration camps is evidence against the hoax.

8.) During the entire length of the War, the International Red Cross had constant access to the concentration camps. They delivered mail and packages containing food and clothing. The International Red Cross, despite this constant presence, never once filed a complaint or report about "the ovens of Auschwitz" or any other camp. It truly begs credulity to think that not a single Red Cross agent ever became suspicious, unless, of course, there was nothing to be suspicious about.

9.) The Nuremberg trials were conducted by the OSS (Office of Strategic Services, forerunner of the CIA) at the behest of the Zionist International. The Israeli State did not yet exist. The vast bulk of "evidence" was provided by the pro-Zionist Soviet Union. Neither of these two organizations could possibly be considered fair or trustworthy. Again, consider the source.

10.) Confessions were obtained under duress and torture. "*It was this same War Crimes Branch which itself administered the nightmarish trials at Dachau, where prisoners were beaten, kicked, starved, and brutalised by Jewish-American jailers.*" -- Richard Harwood, from **Nuremberg and Other War Crimes Trials**, p. 14. In true gangland style, the accused were told that their family members would be hurt or killed if they did not cooperate. Techniques of interrogation included beatings, starvation, testicle smashing and other forms of torture. The German prisoners were often so badly beaten that they could not be brought into the courtroom for fear of demonstrating their adverse treatment. The State of Israel today continues to use torture and murder as part of their terrorist campaign. Amnesty International has repeatedly cited Israel for such violations of human rights.

11.) There were no more than 4 million Jews living in Nazi-occupied territory. As the Nazi army advanced, the Jews fled rather than be captured. On June 30, 1965, the West German government announced that 3,375,000 Jewish "holocaust survivors" had applied for reparations. Now, if we subtract 3,375,000 from 4,000,000, that leaves 625,000 unaccounted for. If we take 625,000 and add a zero to the figure, we arrive at the fictitious and truly fantastic six million lie.

12.) According to the **World Almanac** of 1947, the world population of Jews in 1939 was 15,688,259. These figures were supplied to the Almanac by the American Jewish Committee. Then, the Jewish-owned **New York Times** of Feb. 22, 1948 listed the Jewish population in Palestine as 600,000 to 700,000; and for the rest of the world, the Jewish population is listed as 15,600,000 to 18,700,000. If we add the two lower figures together, we get a minimum total of 16,200,000 Jews world-wide, which is still a net increase in the world Jewish population of at least 500,000. If six million Jews had really died, then the total should have been 10,200,000.

But since the whole six million myth was just in the process of being fabricated by the world Zionist propaganda machine, these accurate figures came out before the hoaxocaust figures could be subtracted from the equation. Considering the fact that populations generally decrease during times of war - which it most certainly did for the German people and other nationalities - it is quite astounding that the Jewish population actually increased during this time. The fact is that the vast majority of Jews simply relocated to other parts of the world: Palestine, Russia, America, South America, etc.

13.) According to a pamphlet by Dr. E.R. Fields, entitled *Was There Really a Holocaust?*, the Red Cross reported in 1946 that of registered Jewish camp inmates, no more than 300,000 could have died. In item #11 above, we were willing to grant that possibly 625,000 were unaccounted for. If half of them died in the concentration camps and the other half died or disappeared to some other country, then our figures agree.

14.) Heinrich Himmler, Chief Commandant of the Concentration Camps, issued an order, dated Dec. 28, 1942, stating: “*The death rate in the concentration camps must be reduced at all costs.*” - from Reitlinger’s book, **The Final Solution**. Ladies and gentlemen, the Germans were fighting a war, and they needed the productive capacity of the inmates of the camps to produce war material. An extermination policy would have shifted vital resources away from production to waste. Isn’t this holocaust claim incredible just from this consideration alone?

15.) One of the Nuremberg documents, a letter of April 10, 1943, was issued by Oswald Pohl, the head of the Economic Administration of the concentration camps. After addressing the above-cited order by Himmler, the mortality rate of the camps had been reduced from 8.5% in July, 1942 to 2.8% in June, 1943. Given an extermination policy, why would there be any concern for mortality rates?

16.) Numerous claims of the hoaxers have been amended over time because the claims were obviously exaggerated or invented. In April 1975, Simon Wiesenthal of the Los Angeles Holocaust Center was forced to admit in the paper, *Books and Bookmen*, “*No gassing took place in any camp on German soil.*” At that time, Auschwitz and other camps were still in the possession of the Soviets, who would not allow serious researchers into these camps to validate holocaust claims. We expect that, with full disclosure, Mr. Wiesenthal will be forced to admit that no gassing ever took place in any camp.

17.) The Red Cross interviewed thousands of freed camp inmates at the end of the war. When asked if they witnessed any alleged “gassings,” the response was negative. From Red Cross document #9925, June, 1946, the entry states: “*The detainees themselves have not spoken of them.*” How can you gas six million Jews and nobody notices?

18.) Photos of emaciated bodies, both alive and dead, are not proof of an extermination campaign. The fact is that toward the end of the war, the Allies were bombing railroads and roads to the point of obliteration. This meant that valuable food, medicine, Red Cross packages, and other supplies were no longer reaching the camps. This was the real reason for the malnutrition, not to mention the serious side effects of malnutrition, which would be an increase in all types of disease.

The same thing happened in America during the Civil War. Northern prisoners in the Southern camp of Andersonville were also emaciated to the point of being only skin and bone. The commander of the camp, at his trial, said that he simply had no supplies with which to feed the inmates and he was not allowed to set them free. Pictures of these prisoners could easily be substituted for WWII inmates and no one would know the difference.

One thing we know for sure: The Jews are good at writing captions.

Please note that the published photos of concentration camp inmates show relatively well-fed people lining up for the showers. All of the photos of dead bodies being bulldozed show emaciated bodies. If they were gassed and killed immediately, as the hoaxers claim, there would be some photographic evidence of well-fed people being bulldozed into graves. There is none.

19.) In 1943, the SS arrested Buchenwald Commandant Karl Koch for mistreating and executing prisoners. He was found guilty by SS Judge Konrad Morgan and was executed for his crimes. If there were an extermination policy in force, would they bother trying and executing Commandant Koch? Again, these were work camps designed to assist the war effort. An extermination policy would have required tremendous resources and effort. It would have disrupted the crucial work that was going on and it would have risked undermining the war effort.

20.) Cremating 6,000,000 bodies in order to dispose of the evidence would have left 15,000 tons of ashes. No such volume of ashes was ever found, and no air reconnaissance ever revealed enormous clouds of smoke, and certainly there was never any such total of bodies found. It is only when one considers the enormous lack of evidence of a holocaust - all the physical matter that would have been left over from such a campaign (six million corpses?!!!!) and the sheer magnitude of such an undertaking - then the hoax becomes obvious. It is only the hoaxers themselves and those who have not really thought about the physical details who believe in this tragic farce.

It is quite certain that the Germans did not have enough fuel to consume anywhere near that amount of bodies. One of the hoaxers, Mr. Henri Michel, editor-in-chief of the **Revue d'Histoire De La Seconde Guerre Mondiale**, exclaimed of Auschwitz: "*This camp was the most international and the most western of the death factories, and its soil is enriched with the ashes of 4,000,000 corpses.*" -- p. 3. The dust cloud of crematoria smoke from such a volume of corpses would certainly have prompted some aerial reconnaissance photos, don't you think? Where is the evidence? Why is there not one single photo of the crematoria smokestacks belching out their tons of ashes?

21.) William L. Shirer, one of those authors who continued the hoaxacaust story in his book, **The Rise and Fall of the Third Reich**, was forced to admit in a footnote on the crematoria: "...*the measurements are those which are standard for a crematory oven of not very modern design intended for small cemeteries, and would be unsuitable for mass burning.*" This footnote occurs on p. 972 of the German edition only. The rest of the world is still in the midst of the Zionist Dark Age.

22.) Thies Christopherson, a German soldier and author stated: "*I was at Auschwitz! There was no gas chamber there.*" Now, remember, this man does not practice the religion of lies. His statement was proven to be true when, in 1960, Auschwitz was opened to tourists and no gas chamber could be found. What a disappointment this must have been for the tourists! Later, in order to make up for this communist oversight (they didn't have much experience at developing capitalist-style theme parks), **the Soviets built one themselves!** No doubt, the money for construction was provided by some Zionist or rabbinical organization.

23.) The so-called **Diary of Anne Frank** was not written by Anne Frank at all. Photocopies of the supposed manuscript show two distinct styles of handwriting, one which is not handwriting at all but printing, and the other a very smooth handwriting angled at two o'clock. At least half of the manuscript was handwritten in ballpoint pen. The ballpoint pen, invented during WWII, was not commercially available until after the war. In addition, the American Jewish writer, Meyer Levin,

sued Anne Frank's father and won an award of \$50,000 for his participation in the writing of "Anne Frank's" supposed diary. This fact was only brought to light because one Jew tried to cheat another.

24.) Although death by starvation and disease had increased toward the end of the war, the videos of huge piles of dead bodies in civilian clothing were most often footage which was filmed in Dresden. Dresden was devastated by the firebombing raids of the Allies on February 13 and 14, 1945. **This was one of the greatest wartime atrocities in history**, because Dresden had become, in effect, a large refugee camp for German women, children, wounded soldiers, and old men. Dresden was one of Germany's main artistic centers and had virtually no industry located in its vicinity. The Allies knew this and yet they bombed the city mercilessly for two nights, apparently to dispose of war ordnance which would otherwise go to waste, for Germany at that point was a defeated nation and the war was nearing its end. Why not kill as many unarmed civilians as you can? Who will know?

The German refugees thought that Dresden would be a safe haven because of its lack of industry. They were, sadly, wrong. They could not imagine that there would be such immense Zionist bloodlust in command of the U.S. and British military. You can imagine the horror of those who thought they would be safe in Dresden until the end of the war! The war criminals have successfully blocked out this war crime from the history books; but I am sure that Yahweh God will remember those who are responsible.

25.) The Nuremberg trials were an absolute farce. One of the most damning conditions of the trials agreed to by the Allies in the August 1945 London Agreement was "*The Tribunal shall not be bound by technical rules of evidence. It shall adopt and apply, to the greatest possible extent, expeditious and non-technical procedure, and shall submit any evidence which it deems to have probative value.*"

In other words, let's railroad these "war criminals" as quickly as possible, so we can go home and collect our medals. How would you like to be tried by a court which does not abide by "rules of evidence?" A mere technicality, you say? Can you see the kangaroos hopping around? Except, these kangaroos have hooked noses and wear yarmulkas now and then.

26.) The fact that American Jews were allowed to be prosecutors and judges is a travesty in itself. The fact that many of them, if not all, were merely instruments of the Zionist International makes the entire proceeding suspect because of a lack of impartiality. No court would consider it impartial if an agent of the accuser were to be allowed to be a prosecutor or a judge. Yet, this is exactly what happened at the Nuremberg trials. Unfortunately, the American people were not aware of these shady Zionist dealings. They assumed, as people still assume today, that the Nuremberg trials were held in accordance to standard procedures.

Regarding the London Agreement, Harwood says: "...the same people who drew up the arrangements for Nuremberg promptly had themselves appointed as prosecutors and judges. Nikitchenko and Falco became judges. Jackson was American Chief Presecutor, Fyfe was Deputy-Chief British Prosecutor. Thus,

*virtually the same people were judges, prosecution, and court.” -- p. 14. And you were told that the Nuremberg trials were fair and impartial?*

27.) Incriminating documents were simply fabricated by the Soviets. In his opening speech at the War Crimes Tribunal, Chief Prosecutor Robert H. Jackson appeared to be quoting from a document which he ascribed to Baron Werner von Fritsch, the pre-war Commander-in-Chief of the German Armed Forces. In fact, he was quoting from a typewritten document of unknown origin. No original document was ever produced. (You can imagine how many clerks and other military personnel were recruited by the Zionists, at U.S. and British expense, to produce “documents.” Oops! I shouldn’t encourage you to use your imagination. There’s been too much of that already! Even if you’ve only heard the Zionist version of these events, it would only be prudent to exercise some common sense and good old-fashioned skepticism before accepting their story without criticism. It seems that only the Jews routinely get away without scrutiny. Why is that?)

28.) Budd Schulberg, Jewish film producer, was recruited by the OSS to produce the photographic and film “evidence” at Nuremberg. Again, lack of impartiality at its worst. He received a military reward for his efforts. Surprising that he didn’t get an Academy Award as well! The Jews of Russia (Khazaria), America, Britain and Israel were the prosecution, the judge, the jury, the newspaper reporters and the film crew. The poor, persecuted Jew has no influence at all! Why do the goyim hate him so?

29.) Paul Rassinier, author of **The Drama of the European Jews**, relates that many of the hoaxers, authors who had profited from the hoax, could not verify their claims. One author, Dr. Miklos Nyiszli, claimed to have been to Aushwitz but gave travel directions which made absolutely no sense. Professor Rassinier attempted to contact Dr. Nyiszli about such discrepancies and received from him a reply through a Mr. Tibere Kremer. As it turned out, Dr. Nyiszli had long since died, so even the reply was a forgery. Says Dr. Rassinier: “...*this dead witness - another one - was peculiar enough himself to write to me after his death. And so Mr. Tibere Kremer’s silence is understandable. No further comment.*” -- p. 41. This incident should give the reader an idea of the quality of the “evidence” which has been presented in the hoaxacaust literature.

When faced with a mountain lies, at least some statements must be true, right? Not necessarily.

30.) Prof. Rassinier’s book is a detailed examination of Jewish populations in virtually every country of Europe, including Poland and Russia, from 1931 to 1945. According to Rassinier’s statistics, in 1931 Europe had 9,777,500 documented Jews (figures from the World Center of Contemporary Jewish Documentation). The population that remained in these locations in 1945 was 4,250,000. The emigrants who left Europe altogether is numbered at 4,416,608. These people went to three main locations: Palestine (the Israeli state had not yet been created), Central Asia (Soviet Union) and the United States. So, the total, documented numbers of living European Jews in 1945, according to Rassinier, was 8,666,608. If we subtract the documented number of survivors from the documented pre-war population, we have a total of 1,003,392 unaccounted for. Of these, a certain number must have died from causes unrelated to the war. If we

grant that half of them died from such causes, then we have a total of about 500,000 Jews who perished in the war. This is consistent with our previous totals from items 11 and 13.

31.) At the Nuremberg trials, Philip Auerbach, the Jewish attorney-general for post-war Bavaria was denounced by SS General Otto Ohlendorf. Auerbach had claimed the absurd figure of 11 million Jews having suffered in the concentration camps. *“Ohlendorf lived long enough to see Auerbach convicted for embezzlement and fraud (forging documents purporting to show huge payments of compensation to non-existent people) before his own execution took place in 1951.”* -- p. 10-11, **The True History of “The Holocaust,” Did Six Million Really Die?** - by the Institute for Historical Review.

32.) It has been frequently reported by American prisoners of war that the Germans treated them much more humanely than the Japanese. The same is true for the civilian prisoners in the concentration camps. Many of these people were arrested for being communist spies. Hundreds of affidavits described the circumstances at the camps as “humane.” *“One Berta Schirotschin, who worked at the food service at Dachau throughout the war, testified that the working inmates...received their customary second breakfast at 10 a.m. every morning...The Polish underground leader, Jan Piechowiak, who was at Dachau from May 22nd, 1940 until April 29th, 1945, also testified on March 21st, 1946 that prisoners there received good treatment.”* -- p. 21, **Did Six Million Really Die?**

33.) Elie Wiesel has a poor memory. According to the New York Times of Sunday, January 4, 1987, Wiesel recalled *“the day the Soviets arrived at Auschwitz.”* Previously, in a speech to the National Press Club in Washington D.C., in April, 1983, Wiesel *“noted that on April 15, 1945, he was one of the survivors liberated at Dachau by the U.S. Army.”* - Jewish Telegraph Agency, April 11, 1983. “Oy, vey! I remember it like it was yesterday” we can hear him sighing. Is this two lies or only one? Wiesel would have the distinction of being the only prisoner of war to be liberated from two different camps. Talk about bragging rights! The father of lies is truly proud of this weasel.

34.) In flagrant violation of the principle of freedom of speech, the Zionists impose their will on every organization they possibly can in order to prevent people from speaking out against the hoax. In Germany, it is against the law to deny the holocaust. Numerous people have been imprisoned for making public statements against the mythology. This fact should infuriate anyone who believes in freedom of speech.

35.) The holocaust industry makes millions of dollars every year promoting this holocaust trash. In literary circles, it is still a “hot ticket.” Truth be damned. Money talks.

36.) The Soviets brought out a bunch of “human skin” artifacts and “human soap” (presumably dusting off the trunks from their WWI displays), but the Tribunal chose not to pursue the matter any further.

37.) One of the chief presiding judges, Charles F. Wennerstrum, denounced the proceedings: *“If I had known seven months ago what I know today, I would never*

*have come here... Obviously, the victor in any war is not the best judge of the war crime guilt... The prosecution has failed to maintain objectivity aloof from vindictiveness, aloof from personal ambitions for convictions... the defense had access only to those documents which the prosecution considered material to the case... also abhorrent to the American sense of justice is the prosecution's reliance upon self-incriminating statements made by the defendants while prisoners for more than 2&1/2 years and repeated interrogations without the presence of counsel."* - Harwood, p. 39, 40. But we are not dealing with the American sense of justice. We are dealing with the Talmudic, Zionist sense of justice. Dare we call it Satanic in origin? Judge Wennerstrum went to Nuremberg expecting to dispense justice. Instead, he was asked to rubber stamp a show trial.

38.) Many prisoners of the War Crimes Tribunal were kept in prison, held without charges being filed for months. This included even the wives of the suspects. (Harwood, p. 57.)

39.) Holocaust propaganda has changed with the times. Truth is not flexible. Lies are. No consistent flow of information has ever been established by the hoax industry. New charges and claims arise, all without any substantiation. Old ones dissolve, depending upon which charges have been refuted or not. We all know that the original story was that the Germans kept their "extermination program" a secret. How else could it have happened, anyway? Recently, the hoaxers, contradicting this theory, have claimed that it was common knowledge in those days that the exterminations were going on, but that nobody did anything about it. This claim has been fabricated for the sole purpose of trying to indict Pope Pius XII for "not helping the Jews." But how can you prevent something that isn't happening?

I remember very clearly as a child around 1954 standing in a mom-and-pop grocery store. Two Jewish women were reacting to a radio news story about the holocaust. I will never forget what the one woman said to the other: "*If I had known they were being gassed, I would have never gotten on the train.*" So, obviously, six million others didn't know about it either! And she also survived, whatever camp she was in; and, from her statement, she did not witness any gassings either, because this was the first she had heard about it! Sooner or later, the liar gets caught in his lies. The fact that he owns all the newspapers will not prevent this eventuality.

Never underestimate the power of the BIG LIE. The Jews are the masters of it. My personal opinion is the Zionists decided to promote this myth in order to cover up their own involvement with Nazi Germany in transferring Jews from Germany to Palestine. They needed a smoke screen and a continuous barrage of propaganda to clamp the lid down on any criticism of their WWII maneuverings. The more newspaper space that is taken up by their lies, the less room there is for the truth. As the previous stories have revealed, the Zionists have much to hide.
